PROFESSIONAL SUMMARY

Energetic and customer-focused hospitality professional with experience in bartending, serving, high-volume event service, and sales. Recognized for building strong guest relationships, driving beverage sales, and thriving in fast-paced environments. Promoted from Beverage Cart Attendant to Bartender and Server based on performance and trusted to work weddings, golf outings, and private events. Brings years of leadership experience, entrepreneurial initiative, and a strong work ethic developed through hospitality, family business operations, and customer service.

PROFESSIONAL & ENTREPRENEURIAL EXPERIENCE

Bartender | Server | Beverage Cart Attendant | Beaver Dam Country Club — Beaver Dam, WI (May 2026 - Present)

- Promoted to Bartender/Server after setting the single-shift beverage cart sales record on shift one.
- Broke own cart sales record during an 8-hole shift, outperforming a concurrent cart on the course by nearly 50% in sales volume.
- Manage high-volume bar and event service for weddings, golf outings, and private functions in fast-paced environments.
- Train incoming service staff and maintain high-retention member relations.

Owner & Operator — Etsy Shop | (2021 - 2026)

- Founded and managed an online retail brand, handling marketing, inventory, fulfillment, and customer communications.
- Leverage digital strategies and creative problem-solving to scale operations independently.

Shipping Clerk | Northwoods Casket Company — Beaver Dam, WI (2021 - 2026)

- Trusted to run full facility fulfillment operations independently for a full month at age 16, managing order accuracy, packaging, and logistics.
- Maintained accurate inventory records and resolved operational bottlenecks independently.

Concession Stand Manager | Annual Summer 4 Day Fair — Beaver Dam, WI (2018 - Present)

- Executed complete event setup and takedown independently, managing end-to-end site preparation and breakdown.
- Worked 12-hour daily shifts (9 AM – 9 PM) across all 4 days, overseeing team coordination, cash handling, food prep, and inventory during peak volume.
